Multiple  
integrations

The image displays three devices showcasing the Martie e-commerce platform. The central focus is a tablet displaying the homepage with a purple header and a yellow sidebar menu. The main content area features a grid of products under the heading "Most Popular", including Kettle Foods Krinkle Truffle & Salt Potato Chips, Loacker Cookie Gran Pasticcina Cappuccino, Kind Peanut Butter Dark, and Peanut Butter &... Smooth Operator Peanut Butter. To the left of the tablet is a laptop showing a different view of the site with a sidebar menu. To the right is a desktop monitor showing another view of the site with a sidebar menu. The background features three large, semi-transparent circles containing the text "AOV Optimized", "Exempel-case: Martie", and "Multiple integrations". In the bottom right corner, there is a red logo for "Tiburon".
